Architectural Style:	Other	*Condition:*	Good
Interior Plan Type:		*Threats to Resource:*	Transportation Expansion

Description: Built c. 1900, this two-story I-House features a wooden frame structural system that rests on brick piers. The exterior is covered in vinyl siding and the side-gabled roof with gable end returns is clad in standing-seam metal. This house features two brick chimneys, one located at each exterior end of the house. Fenestration consists of new one-over-one aluminum double-hung sash windows with decorative shutters. A gabled addition has been appended to the east elevation. A hipped porch with square wooden posts is located on the west façade.
